

**Hart House at Deer Lake Celebrates the Good Life
at California Experience Dinner**

For Immediate Release

July 23, 2008 (Vancouver, BC) – On Wednesday, August 20, 2008, Hart House at Deer Lake invites guests to join us for an evening dedicated to all the culinary pleasures of California.

A popular destination for food and wine lovers, California's vast growing regions develop outstanding produce along with some of the world's most collectible wines. At the annual California Experience dinner, Hart House guests can relax and enjoy an outstanding tasting selection of Californian wine in the open air of Hart House's elegant lakeside estate. Guests may then purchase their favourite wines to accompany the dinner that follows.

The menu for the evening is prepared by Hart House's renowned Executive Chef, Dennis Peckham. Delight in his Californian-inspired west coast cuisine, all prepared with fresh local ingredients including herbs from Hart House's own garden.

The Hart House estate provides a perfect setting for outdoor dining and mingling on a warm summer evening. Guests will also enjoy listening to "All About Jack" a seven piece pop rock band that will play popular cover tunes from the 70's, 80's and 90's. Come celebrate the bounty of California on a mid- summer's night!
